## General Provisions

---

- A. Please provide the name, relationship and address of **each** beneficiary named in section 1 on the front of this form.
- B. If there is no beneficiary entitled to payment in accordance with the designation, payment will be made to the spouse of the insured if living; otherwise, in equal shares to the then living children of the insured, if any; or, if none, to the father and mother of the insured, in equal shares or to the survivor of them; or, if none, to the executors or administrators of the insured's estate.
- C. The Company will make payment to the trustee under the insured's last will and testament if it receives at its home office, within one year after the date of the insured's death, evidence satisfactory to it that the trustee is authorized to receive payment under applicable law. If no evidence is received within that period, payment will be made to the executors or administrators of the insured's estate.
- D. Payment to any trustee in accordance with the designation will discharge the Company to the extent of such payment, and the Company will not be responsible for the proper discharge of the trust or any of its terms.
- E. If any Primary or Secondary Beneficiary dies before the insured, then that beneficiary's share will be distributed equally among the other surviving beneficiaries within the same Primary or Secondary designation, unless the insured indicates otherwise in writing.
